

Schluter Systems Internships (Spring 2023)

Schluter Systems
Plattsburgh, NY 12901

Paid or credit-bearing internship available. Flexible schedule. Spring and/or Summer 2023.

Internship (paid) \$15/hr, 16 hr/week min. commitment.

Credit =bearing—3 hr. min. on site.

The international company, Schluter Systems, is seeking an intern for its training and development department. This may be a paid or credit bearing. Scheduling is flexible.

Help develop training videos for Schluter University. This includes researching training topics and needs, testing, demo-ing courses, generating PR materials, and a host of other educational training functions as needed by this international company.

This is a career-building opportunity for the right student(s) to learn valuable skills in project management, training and education, and problem-solving while working for an international company.

Minimum Requirements:

- Minimum sophomore standing or POI.
- An interest in the social sciences (e.g. anthropology, sociology, political science, etc.), historical research, entrepreneurship, gender, culture and community, education, community research, and rural economies.
- An interest in business.
- Initiative and the ability to collaborate with diverse groups of people.
- Willingness to learn about company dynamics and culture.

All interested students are encouraged to contact:
