

CALL FOR PAPERS/COLLOQUIUM FACULTY AND STUDENTS

We are pleased to announce this call for papers for the 13th Colloquium on Quebec Studies to be held at Bishop's University on Friday, March 28 and Saturday, March 29, 2025. The title and overarching theme of the conference is *Quebec Past and Present*. We invite researchers, academics and students from all disciplines in humanities and social sciences to contribute to this international and multidisciplinary colloquium. We are most interested in contributions from history, sociology, political science, public policy, linguistics, education, health, literature, art and architecture. Paper proposals, in English and French, will be accepted from undergraduate/graduate students and faculty from all universities. We especially encourage faculty to identify and encourage talented students to submit a proposal for consideration.

If you are interested in submitting a proposal, kindly send your abstract (max. 300 words) and vitae before February 15, 2025. Please submit your proposal to the colloquium organizers.

All submissions will be reviewed and individuals will be contacted no later than March 1 regarding their submission. There is no colloquium registration fee.

Selected SUNY Plattsburgh colloquium participants will be provided with roundtrip transportation from Plattsburgh to Sherbrooke, 2 nights hotel lodging (March 27 & 28), and meals.

This initiative is being sponsored by Bishop's University, the Eastern Townships Resource Centre, the Institute on Québec Studies at SUNY Plattsburgh, the United States Department of Education and the Québec Ministry of International Relations and la Francophonie.
