The 2027 FSA Open Enrollment period will run November 2 through December 7, 2026 at 11:59pm EST. Employees should take time to estimate their anticipated eligible expenses for the upcoming plan year and carefully consider their annual election, as FSA contributions are deducted from their paycheck on a pre-tax basis and pre-tax deductions are non-refundable. Employees may enroll in one, two, or all three available FSA benefits, but funds cannot be transferred between accounts.
