ACC

EHHS STUDENT RESEARCH CONFERENCE

Discovering and Exploring Our Shared Values
in Education, Health, and Human Services

Learn about our shared values from our future leaders!

People are at the heart of our disciplines! With three concurrent strands each representing shared EHHS values, you are sure to learn something new and gain a cross-disciplinary understanding of our fields. The fast-paced 10-minute presentation format will provide a stimulating afternoon. Use this link or scan the QR code below to register for free and receive a certificate of attendance following the conference.

Presentation Strands

- Excellence in Teaching, Service, & Coaching

- Professionalism in Human Service Industries

- Inclusion & Culturally Responsiveness
