The SUNY Plattsburgh Institute for Ethics in Public Life presents

“Whither the University?”

Oct. 21 (W) at 3:30 in person or on Zoom (see below)

Higher education has been described as in "crisis". The government is cutting funding for higher education and cancelling grants that don't align with its political priorities. State governments are limiting tenure and faculty academic freedom and cutting shared governance. Public confidence in institutions of higher education has collapsed in the last decade. 70% of Americans think higher education is going in the wrong direction.

What is going on? Is this simply political, or are there real issues with higher education today?

This forum is an opportunity for students, faculty, administrators, staff, alumni, and community members to come together, share their perspectives, and learn about this issue.

Join us in person in Hawkins 233 (the Institute offices) or on Zoom at https://plattsburgh.zoom.us/j/88992533100
