Dear SUNY Plattsburgh Students,

As you prepare for Winter and Spring 2027 registration, please be aware of these important dates and other information about this process.

IMPORTANT INFORMATION

Registration Holds

Registration Holds will prevent you from registering for courses. Registration holds must be cleared before you can register for Winter and Spring 2027 courses. If applicable, you can view your registration holds as follows:

- Log into MyPlattsburgh
- Click on the Student tab
- Click on the My Holds link under the Registrar dropdown
- If you have one or more holds, please refer to How to Clear Registration Holds and contact the appropriate office for additional assistance.

General Information

- For registration dates and forms: Registration Dates & Forms
- For common errors: Registration Error Messages
- PINs are required for currently enrolled undergraduate students, readmitted undergraduate students and incoming transfer students. During the advisement and priority registration periods, you will need to request your PIN from your advisor.
- Students who have not obtained a PIN from their advisor by November 11 should contact the Academic Advising Office (advise@plattsburgh.edu , 518.564.2080)
- PINs are not required for
    - Graduate students
    - Students currently studying abroad
    - Summer session registration
